1. Overview

The Federal Employees' Retirement System Act of 1986 (FERSA) authorized the Federal Retirement Thrift Investment Board (FRTIB), an independent agency of the U.S. Executive Branch, to administer the Thrift Savings Plan (TSP). The TSP is a defined contribution plan for U.S. Federal civilian employees and members of the uniformed services. FRTIB and TSP are collectively referred to as the Agency. The mission of FRTIB is to administer the TSP solely in the interest of its participants and beneficiaries.

The Office of Resource Management (ORM) is the FRTIB office that supports and manages human resources and administrative activities for the Agency in accordance with Office of Personnel Management (OPM) regulations and other applicable Federal regulations. ORM serves as a strategic partner to FRTIB leadership and drives the design of innovative, effective administrative services and human resource programs to support FRTIB employees and its overall mission. The Administrative Services Branch is a sub-office within ORM that manages the key business processes related to FRTIB's administrative programs and initiatives.

This document sets forth FRTIB's procedures related to implementation of its Equal Employment Opportunity (EEO) program. The objective of these procedures is to promote and achieve equal opportunity in employment and personnel practices within the FRTIB. These procedures govern FRTIB's EEO program and compliance activities. The FRTIB Office in charge of administering and implementing these procedures is ORM.

2. Roles and Responsibilities

Aggrieved Person – is an individual who believes he or she has been discriminated against based on their membership in a protected class or participation in a protected activity.

Chief Operating Officer (COO) - is the individual responsible for reviewing and approving the Report to Congress.

*Directors, Managers, and Supervisors*¹ – are the FRTIB individuals that are responsible for:

- Actively participating in the Agency's EEO program and ensuring performance plans include any general and/or specific EEO policy requirements;

- Ensuring that all HR procedures and practices within their offices are based on merit and free from discrimination;
- Managing the work environment by improving communication and the acceptance of individual differences;
- Notifying the EEO Program Manager of potential EEO complaints and directing Aggrieved Persons to either the Agency EEO Program Manager or FRTIB EEO Counselor (Vendor) for assistance;
- Participating in Alternative Dispute Resolution (ADR) after the Agency has offered ADR and the Aggrieved Person has elected to participate in ADR; and
- Cooperating with the Agency representatives who develop and submit reports with respect to the Agency's EEO program (e.g., No FEAR Act Report to Congress and Management Directive 715).

¹ These roles are not included in the flows, but are provided here for informational purposes.

Executive Director - is the stakeholder responsible for:

- Exercising leadership and establishing, maintaining, and implementing a model EEO program to promote EEO in every aspect of the Agency's human capital policy and practice in the employment, development, advancement, and treatment of employees and applicants for employment, communicating this commitment to all Agency employees and ensuring EEO is an integral part of the Agency's strategic mission;
- Issuing a signed EEO and anti-harassment policy statement to all employees annually, which is prominently posted in common-area bulletin boards and on the Agency's internal website;

- Ensuring that managers, supervisors, employees, or offices demonstrating superior accomplishment in equal employment opportunity are recognized.

FRTIB EEO Counselor (Vendor) – is the party responsible for conducting counseling and advising aggrieved individuals during the pre-complaint process. The FRTIB EEO Counselor (Vendor) also serves as an independent and objective fact-finder (a neutral) and is not an advocate for employees, applicants, or FRTIB. The EEO Counselor's (Vendor) responsibility is to gather facts and make every effort to resolve the dispute at the earliest stage possible

FRTIB EEO Program Manager – is the individual that serves, as designated by the Executive Director, as the principal EEO Official for the Agency who manages the Agency's EEO program in accordance with 29 CFR 1614 and applicable EEO Directives; ensures that the EEO program information is distributed to all employees, using all media available, including the web; conducts

self-assessments of EEO program effectiveness, at least annually; serves as the Agency liaison to the EEO vendor; and ensures the Executive Director's applicable EEO policies are issued to each new hire at the beginning of her/his employment (included in Agency new-hire packet) and annually thereafter.

FRTIB Employee - is the stakeholder responsible for providing support to the overall EEO program as appropriate in the performance of their official duties; treating all individuals with whom they deal in a fair and equitable manner without discrimination or harassment; cooperating with supervisors and managers who are carrying out their responsibilities in the EEO program and keeping informed of all EEO policies and procedures that affect their job performance; reporting discrimination to his or her supervisor (unless the supervisor is the cause of discrimination), or anyone in his or her supervisory chain-of-command, the HR Personnel Manager, EEO Program Manager, or FRTIB EEO Counselor (Vendor); and completing the EEO training as required.

Office of External Affairs--is the office responsible for approving the uploading of quarterly data for the EEO 462 report to the Agency external website.

3. Applicable Policies

- EEO Policy

4. Procedures

FRTIB has contracted with a vendor to provide EEO complaint processing services to FRTIB employees and applicants for employment. An employee, former employee, or applicant for employment who believes discrimination has occurred on the basis of race, color, religion, sex (includes pregnancy), equal pay, sexual orientation, national origin, age, disability, genetic information or reprisal for prior EEO activities may initiate a discrimination complaint.

4.1 Informal/Pre-Complaint (IPC)

- IPC-1. The Aggrieved Person initiates the EEO process when s/he believes to have been aggrieved. The Aggrieved Person initiates contact with an EEO Counselor (Vendor) via phone, email, or in person. EEO Vendor contact information (name, phone number and email address) is posted on several Agency bulletin boards and on the Agency Resources web page.²
- IPC-2. The FRTIB EEO Counselor (Vendor), upon contact with the aggrieved individual, conducts fact finding activities to include determining the claim(s) and basis raised by the aggrieved individual and timeliness of the individual's EEO Counselor contact and obtaining information relating to the issue(s) in accordance with EEOC Management Directives and Federal law. The FRTIB EEO Counselor (Vendor) ensures all applicable information is recorded on an intake form.
- IPC-3. Upon receiving the initial complaint from the aggrieved, the FRTIB EEO Counselor (Vendor) submits a task order request to the FRTIB EEO Program Manager.
- IPC-4. The FRTIB EEO Program Manager receives the task order request and submits the task order for processing to the Agency's Contracting Officer, identifying the Contract Line Item Number (CLIN) for the appropriate EEO service requested. In addition, the EEO Program Manager initiates a file for the EEO complaint based on the information provided in the task order. The EEO Program Manager updates the EEO complaint file as actions are taken throughout the life of the complaint.
- IPC-5. The FRTIB EEO Counselor (Vendor) conducts counseling and limited inquiries which initiate the counseling process. During the initial counseling session, the FRTIB EEO Counselor (Vendor) advises the aggrieved individual, in writing, of his or her rights and responsibilities and the opportunity to pursue resolution

² FRTIB's Internal EEO Website: <http://tibwebs.frtib/employee-info/EEOC/index.html>

through either counseling or participating in ADR , if the issue is appropriate for ADR. Counseling shall be completed within 30 calendar days of the individual's initial contact with the FRTIB EEO Counselor (Vendor) unless extended in accordance with EEOC directives. If ADR is chosen, the parties have 90 calendar days to attempt resolution. Confidentiality and anonymity remains a forefront concern throughout these proceedings. Prior to contacting the Responsible Management Official (RMO), the EEO Counselor (Vendor) and/or EEO Program Manager provides OGC with the name of the RMO and the basis of the complaint. If the complainant has waived confidentiality, the EEO Counselor (Vendor) may also share a copy of documents submitted as part of complainant's initial filing (e.g., intake form and supporting documents). The EEO Counselor (Vendor) contacts the RMO as part of the limited inquiry process. Refer to the following website for EEOC guidance on how to implement the informal complaint process defined in 29 CFR 1614: <http://www.eeoc.gov/eeoc/publications/fedprocess.cfm> or by contacting the EEO Program Manager.

- IPC-6. The FRTIB EEO Program Manager, upon being informed that the matter is resolved informally, documents the resolution. If, during the course of the limited inquiry, the Agency and the Aggrieved Person agree to an informal resolution of the dispute, the terms of the resolution shall be documented in writing, clearly identify the claims resolved, and be signed by both the Executive Director and aggrieved individual to ensure understanding of the terms of the resolution.³ OGC must coordinate with the EEO Counselor (Vendor), EEO Program Manager, the complainant, and Executive Director to develop the terms (Agency and the aggrieved individual) of the informal resolution in a settlement transmitted to the parties. The letter should state clearly the terms of the informal resolution and should notify the aggrieved person of the procedures available under 29 C.F.R. § 1614.504, in the event that the agency fails to comply with the terms of the resolution. OGC will memorialize the terms

³ See 29 C.F.R. § 1614.603

of the informal resolution in a written settlement agreement that will bind both the Agency and the complainant. The EEO Counselor (Vendor) transmits a signed and dated copy of the settlement to the EEO Program Manager. The EEO Program Manager retains the copy for four years or until s/he is certain that, the agreement has been fully implemented.

- IPC-7. The EEO Counselor holds a final interview with the Aggrieved Person and issues the Notice of Right to File (RTF) a Discrimination Complaint. This action occurs if the informal resolution is not possible as the Aggrieved Person may not be satisfied with the Agency's proposed resolution of the dispute, or the Agency officials may not agree to the Aggrieved Person's suggestions. No further counseling should occur. The final interview and the RTF notice shall be conducted within 30 days of the date the Aggrieved Person brought the dispute to the EEO Counselor (Vendor)'s attention. If, however, the Aggrieved Person consented to a written extension of time, the extension cannot exceed 60 days for counseling. If the Aggrieved Person agreed to participate in EEO ADR, the counseling period may not exceed 90 days.
- IPC-8. The EEO Counselor (Vendor) provides the Aggrieved Person with the names of persons authorized to receive complaints of discrimination. The EEO Counselor (Vendor) also informs the Aggrieved Person (or his/her representative) that the complaint shall be delivered to one of the authorized persons.
- IPC-9. The Aggrieved Person receives RTF notice and other pertinent information. If the Aggrieved Person decides to file a formal complaint, proceed to Formal Complaint Procedures (FCP-1)
- IPC-10. When advised that an Aggrieved Person has filed a formal complaint, the EEO Counselor (Vendors) submits a written report pursuant to 29 C.F.R. § 1614.105(c) to the FRTIB EEO Program Manager. The report contains relevant information about the Aggrieved Person, jurisdiction, claims, basis, requested remedy, and the EEO Counselor (Vendor)'s checklist. If the Aggrieved Person attempted to resolve the dispute via counseling or EEO ADR, the report should

state that the Aggrieved Person chose either traditional EEO counseling or the EEO ADR program and that the dispute was not resolved through either procedure. However, the report should not provide a summary of the resolution attempts, nor any opinion as to whether discrimination occurred. The EEO Counselor (Vendor) submits a copy of the report to the FRTIB EEO Program Manager and to the Aggrieved Person. The transmission shall be done within **fifteen (15) days** after notification by the EEO Program Manager that a formal complaint has been filed or upon the EEO Counselor (Vendor)'s receipt of the formal complaint.

- IPC-11. The FRTIB EEO Program Manager receives the written report and updates the EEO complaint file.

4.2 Formal Complaint (FCP)

- FCP-1. The Aggrieved Person files a formal written complaint on a form provided by the FRTIB EEO Counselor (Vendor) if the informal stage does not result in the resolution of the dispute. The formal complaint shall be submitted to the FRTIB EEO Counselor (Vendor) or EEO Program Manager within 15 calendar days of the Aggrieved Person's receipt of the RTF notice. Upon receiving notice of the formal complaint, either the EEO Program Manager or the EEO Counselor (Vendor) will inform OGC and will provide the complaint and supporting documents to OGC once they are available. Written complaints filed by facsimile, electronic communication, hand-delivery during business hours, U.S. mail (confirmation services recommended), or other third-party commercial carrier shall meet the regulatory time frames. The date of the postmark, facsimile, electronic communication, hand delivery, delivery to a third-party commercial carrier or in person filing at the agency's EEO office, is considered the date filed and shall be within the requisite 15 calendar days.
- FCP-2. The FRTIB EEO Counselor (Vendor) receives the Aggrieved Person's formal complaint and submits a written notification of receipt of the formal complaint to the Aggrieved Person and FRTIB EEO Program Manager. The

acknowledgement letter shall inform the Aggrieved Person of the filed-on date (if mailed, the date of filing is the postmark date, not the date the Agency received the complaint). The EEO Counselor (Vendor) also advises the Aggrieved Person in the acknowledgment letter of the EEOC office and its address where a request for a hearing shall be sent. Such acknowledgment shall also advise the Aggrieved Person that: (1) the Aggrieved Person has the right to appeal the final action on or dismissal of a complaint; and (2) the Agency is required to conduct an impartial and appropriate investigation of the complaint within 180 days of the filing of the complaint unless the parties agree in writing to extend the time period. When a complaint has been amended, the Agency shall complete its investigation within the earlier of 180 days after the last amendment to the complaint or 360 days after the filing of the original complaint, except that the Aggrieved Person may request a hearing from an administrative judge on the consolidated complaints any time after 180 days from the date of the first filed complaint.

- FCP-3. The Aggrieved Person receives written confirmation of receipt of the formal complaint from the FRTIB EEO Counselor (Vendor).
- FCP-4. The FRTIB EEO Program Manager updates the complaint file, generates a new task order and sends to OGC.
- FCP-5. OGC receives a copy of the formal complaint.
- FCP-6. The FRTIB EEO Counselor (Vendor) evaluates the complaint file in collaboration with the EEO Program Manager.
- FCP-7. The FRTIB EEO Counselor (Vendor) notifies the Aggrieved Person of acceptance or rejection of the complaint. Listed below are components that are included in letters sent to the Aggrieved Person:
 - The Agency—via the FRTIB EEO Counselor (Vendor)—sends the Aggrieved Person a second letter stating the claim(s) asserted and to be investigated. If the second letter’s statement of the claim(s) asserted and claim(s) for

investigation differs, the letter further shall explain the reasons for the difference, including whether the Agency is dismissing a portion of the complaint.

- The Agency shall advise the Aggrieved Person that s/he may submit a statement to the Agency concerning the Agency's articulation of the claim, which shall become a part of the complaint file.
- The Agency shall notify the Aggrieved Person of a partial dismissal by letter and further inform the Aggrieved Person that there is no immediate right to appeal the partial dismissal.
- The Agency shall advise the Aggrieved Person that the partial dismissal shall be reviewed either by a Commission Administrative Judge, if the Aggrieved Person requests a hearing before an Administrative Judge, or by the Commission, if the Aggrieved Person files an appeal of a final agency action or final agency decision.
- Unless the Aggrieved Person states otherwise, copies of the acknowledgment and all subsequent actions on the complaint shall be mailed or delivered to the Aggrieved Person's representative with a copy to the Aggrieved Person.

FCP-8. The Aggrieved Person receives decision details via a written letter.

FCP-9. The FRTIB EEO Counselor (Vendor) conducts an investigation on the accepted claim(s)⁴ documents findings and provides the Report of Investigation (ROI) to the Aggrieved Person and EEO Program Manager.
